Description

BROADCAST SPREADER

Don't let bad winter weather bring you down. Make quick work of spreading sand and salt on icy roads and walkways with the AMI QuickSand. For your Wheel Loader or Loader Backhoe, this versatile broadcast spreader is available in single and double spinner models. Made from galvanized steel, the QuickSand features hydraulic spinners and a floating agitator that prevents clumping and ensures an even distribution pattern.

LOADER BACKHOE SPECIFICATIONS

Loader Backhoe Specifications
